Why Advertise?

As the ONLY magazine that reaches the entire membership of ERA, including airlines, airports, manufacturers and suppliers, your advertising campaign will be seen by important senior executives and decision makers from Europe's aviation industry. Copies are posted out to all ERA members and the digital version is available online at www.eraa.org, allowing readers access across all media channels. The magazine is also extensively promoted via email and on all social media platforms. To make the most of your advertising campaign, we will work through the various options available to give you maximum exposure.

Sponsorship Opportunities

This is the ultimate publicity campaign for your business. Taking this great opportunity will give you the front and back cover, a double page spread and a spread marker band. It is the package to make you stand out from the crowd.

Packages

To make the most of your advertising campaign, we can work through a variety of options that will give you maximum exposure in this key industry publication. Booking one of our six or 12-month packages can also save you money.

ERA Yearbook

Established as THE essential reference guide to Europe's expanding airline and aviation sector, the ERA Yearbook is indispensable as an information, reference and business tool, whether for research or commercial use. The ERA Yearbook is keenly sought after by the aviation industry and grows in popularity year on year.

The ERA Yearbook includes the ERA membership directory, including contact details for all ERA members; airlines, airports, airframe and engine manufacturers, suppliers and service providers, as well as featuring interviews with ERA's Director General, President and details of ERA's achievements, activities and strategies. Airline and airport performance statistics are also provided and supported by expert comment and analysis.

Copies are distributed to representatives from all ERA member companies as well as industry regulators and experts. A digital version is available online at www.eraa.org and extensively promoted via email and all social media platforms.
